Re: Civil Action No. 24-7995

Tavon Turner VS The Weed Shoppe Inc.

In response to the above Summons we are requesting that you withdraw your action for the following reasons:

- 1) Our website is fully WCAG compliant and notice thereof is on the website.
- 2) #9 of the summons states that Plaintiff intended to make an online purchase of cannabis infused gummies. This would be impossible as there is no legal way we can ship any THC products through third parties (USPS, FEDEX, DHL, UBER etc).
- 3) We did not offer delivery services nor would we ever offer any delivery service outside of Staten Island.

We are fully compliant. We cannot make any sales online to ship to any customers. We fully sympathize with Mr. Turner's situation however we could not sell to him or to anyone in fact, from our website. Cannabis is a Class 1 narcotic and shipping it to consumers violates Federal Law. Since we did not offer any type of delivery service no online purchase was possible. Therefore there were no damages to Mr. Turner.

In the event you wish to pursue this we would consider this a Frivolous Lawsuit and act accordingly. Since we are fully compliant and there were no damages to your client we see no basis for this action.

Sincerely,

Leonard Manning
